

## Night Time Activities

Here's our top three suggestions for Teacher Lead Night Time Activities while on Camp at Willow Creek Adventure Camp.

1. Movie Night
2. Charades
3. Trivia Night

### Movie Night

There are a range of DVD movies available at Camp. Alternatively please bring a movie/s of your choice.

You are welcome to rearrange the furniture in the Main Hall for movie night. Please reset the room at the end of the night ready for the next day.

Instructions for Projector and DVD Player usage are located in the Welcome Guide in the Main Hall.

## Charades

Playing charades is a fun game to get everyone up, moving, laughing and using your imagination!

It's a non-verbal communication game where you act out the words on a card without talking or making any sounds and your teammates need to guess what you are doing or trying to say.

### To Start

1. Divide your group into teams.
2. Place the charade cards in a bowl.
3. Decide who is going first, then the first team member grabs a card and acts out the word.
4. The rest of the team guesses and once the correct answer has been blurted out, it's time to switch charades.
5. The team that answers the most at the end of the game wins!

### Rules

Players take turns acting out the word or words on the charade card with hand signals and body movement but NO spoken words.

You may

1. Use your fingers to indicate how many words in the charade
2. Touch your nose and point to your teammate to let them know that the guess is correct or close.

There is NO talking, words, pointing or sounds. NO lip movement at all.

Have Fun!

## Trivia Night

A fun and interactive activity for students working in teams to answer as many questions correctly as they can within the timeframe for each round.

There are 8 rounds of 5 Questions, 1 round of Riddles and the last round is a DOUBLE POINTS round!

### Primary School
